Not Just for the Birds! Auction

RE: Call for Artists

The Artalicious *Not Just for the Birds!* Auction Committee is looking for artists, designers, and creative people to create one of a kind art birdhouses and/or bird feeders for the *Not Just for the Birds!* Auction fundraiser held during Artalicious in downtown Adrian on Saturday, September 18, 2021. Funds raised from this event will support Lenawee youth art programs.

Completed projects are due by Monday, September 13, 2021 at the Adrian District Library, 143 E. Maumee Street, Adrian. The birdhouses and bird feeders will be available for Silent Auction at the library beginning Tuesday, September 14 at 10 am and will remain on display through Artalicious in downtown Adrian until 6:00 pm on Saturday. Winning bidders can pick up their birdhouses and bird feeders at the library beginning 7:00 pm on Saturday, September 18, 2021.

Participants can make their own birdhouses and bird feeders from any material: wood, tin cans, recycled material or purchase unfinished birdhouses at Hobby Lobby or JOANN Fabric and Craft Stores. Artists are encouraged to be creative.
